“ *What I remember about my Aunt Rose was that she was the foundation of the Avvento family. Growing up, I remember our Sunday visits to Grandma's House and always see Aunt Rose running things with military precision! She was the "enforcer" of discipline in that house. She had a great life and raised quite a family. I am sure that her legacy has been passed down to future generations. Hey kids, you had a wonderful mother, grandmother and great grandmother. She was well loved and will be missed. I am sorry that I will not be able to attend any of the activities; having prior commitments.*
