

Rose Zecchin

August 27, 1941 - August 9, 2020

With endless sadness we announce the passing of Rose Zecchin. She had an extraordinary soul full of immense love. She held multiple roles in her life and rose above even our highest expectations. Her grace and wisdom continue to carry us through her passing on Sunday, August 9, 2020, just 18 days shy of her 79th birthday. She bravely fought a fierce battle against her health as it declined.

Born on August 27, 1941, she popped out with her sidekick who became her best friend for life, her twin brother Anthony. No matter what life brought, their love for each other remained a constant source of support.

Family was the most important part of life for Rose. She shared an idyllic childhood surrounded by oodles of cousins, aunts and uncles. The family all lived close, almost a village unto themselves.

Rose was the beloved mom of JulieAnn & Tommy. An idolized sister to Anthony. She was the proud grandmother of Kristina, Stephanie, Thomas, Emily and Tom Tom, step grandmother to Melissa, Alison and their children. She enjoyed being a great grandma to Hailey, Jason, Skylar, Lotus and Sophie. She was also a second mom to Denisse. She was a grandmother in-law to Jason & Jeff and a loving aunt to Frankie & Lisa. She was the sister-in-law and close friend to Sandra.

She was preceded in death by her loving parents, Anna & Frank, whom she dearly adored. And, her faithful pup Hootie, who always gave an abundance of joy and comfort.

Rose was the strongest woman and a person to admire. Rose was both mother and father to her children and tirelessly made sure they felt the unconditional love and safety a family provides. She conquered cancer and braved through the deaths of some of her closest family and friends. Rose still had a smile to share. She had the purest of hearts and the ability to laugh at herself.

Rose is the heart of our family. She made countless sacrifices throughout her life to provide a never-ending love. We now face life in her shadow, without the magic she brought to all of our lives. Our memories of Rose will echo throughout several generations.

“ It was saddening to learn of cousin Rose's passing during these times while it is difficult gathering to mourn the loss of our loved ones. Rose was a kind-spirited, sweet, thoughtful soul, always dedicated to family and the well being of others. She had a special way of speaking to children, treating them with the same respect and showing the same interest as she showed adults. I especially remember how she welcomed my wife into our extended family. She gave me two great gifts in life; my cousins JulieAnn & Tommy. I will always cherish the memories of our times together growing up. Maybe God be with you jow, and always.

“ Dear JuliAnn, Thomas and Family,
I am so sorry to hear about
your beautiful mom Rose. When I first met Rose she was standing
at the kitchen stove cooking.
She turned around to greet me with the most sweetest smile. I knew
at that very moment that she had a kind heart just like her beautiful
daughter. JuliAnn know that your mom is still with you and watching
over you and your family with a never ending love and that you will
meet again.
I love you.

Your Forever Friend,
Theresa Matozzi.

“ Julie and Tom,

The bond that you two had with your mom/grandmother was something most could only dream of having. Losing someone that was as strong, funny, kind, and generous as Rose, is never easy. There is no one in this world like a true mother. Their caring, nurturing, and selfless nature is something we always crave and admire. I know Rose was more than a mother to you and more than a grandmother to Tom...she was a true friend and someone who was always there to lift you, love you, make you laugh, and to tell you like it is. We know she will be greatly missed. However, Rose's heart was passed down to two of the most incredible human beings on earth, so without a doubt, Rose lives on through you and Tom. What a beautiful gift. Our deepest condolences to you and your family. May you cherish all the wonderful memories that you've made throughout the years and may God bathe you in all His love and grace. We love you and are always here for you both.

Love,
Dawn, Ken, Jason and Brian

“ Julie, Tom and family. How lucky you are to have such a wonderful woman to call Mom and Grandmother. When I think of Rose I think of her so full of life always wanting to join in the fun. What wonderful memories she helped to create in just in looking at these beautiful photos. Please remember “don’t cry because it’s over. Smile because it happened” She blessed this world with beautiful souls to carry on her legacy and we’re so very grateful she did. So sorry that circumstances of today won’t allow us to join you in person to celebrate her life. But please know we are with you today, tomorrow and always Thinking of her and you all.....

“ Dear Julie Ann & Thomas,

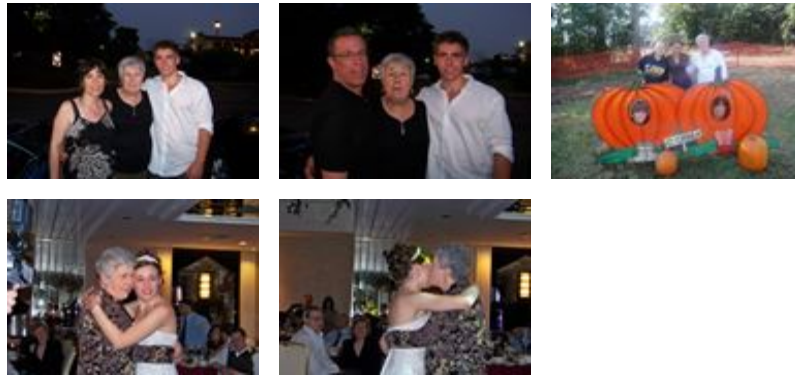

We are so sorry to hear of your great loss. We did not get the chance to meet her, but knowing the wonderful people you are, we know that she must have been an excellent role model of kindness, love and laughter. In reading your mini bio on her life, the line "live in her shadow" stood out to us. Shadows are larger representations of the actual object or person. Having her physically here is a blessing, but having her forever in your hearts and memories is truly living forever.

*With Great Sympathy and Love,
Carlos & John*

“ Dear Julie and Thomas, my heart hurts for the loss of your mom and grandma. She truly was a very special lady -- I loved her from the first day I met her. I remember first thinking how beautiful Rose was -- inside and out -- I especially noticed the sparkle in her eyes. She was so warm and loving. Rose always made me feel so welcome and loved when we were together. If there are actual words that can give you comfort I wish I had them. All I can say is what's on my heart. I do know God has Rose safely tucked in His arms and is showering her with all the love a good Father gives to His children. All the pain and suffering she endured during her illness and all the tears she shed have all been wiped away as Rose entered into the Eternal Kingdom. I can picture her with Jesus and experiencing the pure joy of finally meeting The One who carried her while on this earth through all the difficulties of this life. I hope and pray God allows you to experience her closeness in spirit within your hearts because now Rose is no longer bound by time or space. I hope you receive many, many Godwinks to get you through this time. I love you both so much and you're always in my prayers. Rest in peace and perpetual light shine upon Rose, a name most fitting for a soul that resembles the beauty of the most beautiful of flowers I believe God created. May the peace that surpasses all understanding be yours, through Christ Jesus.

With all my heartfelt love,
Josephine M.

“ My dear Aunt Rosie, how i love you. You helped me with the loss of my mom. You always told me she was your best friend. I know you're in heaven with her now. You were a source of strength for me and I will miss you forever as I miss my mom. You held me when baby patrick died and we held each other when mom died. You were always telling me I was talented with whatever I made. You were embarrassed to ask me to make you a quilt then when you received it, you didn't want to use it because it was special. You never judged me or critized me and it made me love you more. I am glad I dragged you to the hospital that day, we got many yrs together because you were diagnosed early and treated. You never liked worrying anyone or bother anyone. I would love taking you to the stores with mom when I would visit and then after having you comw with me for our special time together. I loved our trip to Atlantic City with mom and manny. We had fun walking the Boardwalk.
Rest in peace my sweet Aunt Rosie..... I love you to the Moon and back!!
