“ Aunt Ro,

*Even though I was not your biological niece , you always treated me like one.*

*During my adolescent years you would do my hair and makeup (even after a long day at work) or take me shopping or for a bite to eat.*

*As I got older, you would spend countless hours on the phone with me giving me the best advice, especially when it came to traveling tips.*

*I can remember one night, we sat in the car in a parking lot for hours talking and laughing.*

*You always put a smile on everyone’s face...*

*Surely you will be missed and forever in my heart.*
