“ Rest in Peace Ro. (My work mom) I met Rose Marie back in 2004 when she came to work for me at NYMC. We stayed in touch over the years after the company closed. My mother (also named Rose Marie) used to come to the office to visit. Her and Ro had a lot in common and talked about getting together etc etc. Unfortunately My mother got sick shortly thereafter and passed. Ro always stayed in touch and checked up on me. That's why i called her my work mom. She made sure I did not forget to eat my lunch everyday. LOL. I'm going to miss her.

“ Rosemarie and I have been friends for many years. We worked together for 8 yrs. We took turns driving to Jersey City and laughed the whole ride. When we went out with Ro and Jo we always had a great time, especially when we slept over because Jersey was too far after a night out with them. Due to illness for about a year we did we didn't see each other but kept in touch and caught up with each other. Rosemarie, you are now an Angel 🙏 in heaven watching over all your family and friends that loved you so. I will miss you so much. RIP.
Until we meet again.

“ When loved being around Rosemarie and Joe. It's was always a good time. Whether it be at a show or going to the diner we had fun. I'm glad we got to spend Roe's birthday with her last August. It was an awesome time being with the LaRocco's and friends. At this time of sadness we pray that the family has comfort and peace in knowing she's with the lord.
