“ Ruth really loved being with family. Whenever we would come to Staten Island to visit we would try to see her. She loved to talk about her family and was so proud of them. The last time we saw her was in Sep 2012 at Kathy and Manny's house for dinner. She sent a note to my father (who is one of her first cousins) in Sep (2016) and wanted us to call. We tried to call her but she was not home. We will miss her.

Thanks for putting up all the pictures, I love seeing her with her family and friends.

My thoughts are with you all. Love, Barbara Puster
