An officer from the 68 Pct. - March 23, 2021 at 01:26 AM

Thank you for remembering my father. He loved working at the 68, so much so that he stayed and hung out a couple of hours after his shift quite often.

“ *OMG Just learned of Sal's passing. Sal and I spent many years together working in the 120th pct. It is kind of a mystery of what we remember when we work together. Sal could gulp down a steaming cup of boiling coffee like it was ice tea. We made sgt. together and sat together because of the alphabetical order. He kept telling me jokes and I could not keep a straight face. Later we made Lt. together. I know he was a great boss because he was a great cop.. Condolences to his family.*

Thank you Pat. I remember your name being spoken by my father often. You must have been a good friend to him.

“ PARTNER

*It takes a while to find a partner
But it takes an entire lifetime to forget them
You and I will meet again
When we're least expecting it
One day in some far off place
I will recognize your face
I won't say goodbye my friend
For you and I will meet again

You were more than his partner Lenny. In this lifetime, you were his best friend. Thank you for standing by his side in good times and bad.

“ My condolences to Sal's Family. I was a Police Officer in the 120th during the 60's and 70's with Sal when he used to fill in with my partner Frank Brown and I. I will always remember Sal who was able to drink a steaming cup of coffee in one gulp. We made Sgt. together. May you rest in peace. I know that you are in a better place.
