“ *My deepest condolences for the families loss. Sal was a man who helped & cared for everyone. He loved spending time with the family. Both Sal & Millie welcomed me and Joe into his family and treated us like family and with respect. I believe he is in a better place with his true love Millie arranging a card game for change. He will be missed by all who's life he touched. Rest in peace and may your family & friends remember the good times!. Val & Joe Colaizzo*
