“ *Sal was a generous and thoughtful friend. I always counted on his friendly smile, well thought out counsel and unwavering support. I enjoyed his companionship, conversation and have missed him when I moved away. I enjoyed sharing a love of the dance community and talking about our shared love of photography. I cherish the dance performance photos he took of me. I am lucky to have had him in my life. Rest sweet soul. Xxxx*

“ *Sal was the first Team Leader that I worked for at Fort Monmouth. He was one of the best circuit designers in the Hexagon. He taught me everything I know about hands-on engineering. He was a friend and a mentor. We had many great times together. The last time I had the opportunity of working with Sal was during the closing of Fort Monmouth in 2011. He will be dearly missed.*
