“ *My dearest sister Santina...Life takes us places and then it happens. We live life and get busy and when we fully open our eyes we come to realize where has the time gone. Sometimes we talk often or less. At times we get together and sometimes we can't. No matter what a sibling bond will be strong and always there. My dear sister you had such a beautiful heart. A beautiful quality that I admired about you was how you always were concerned of others before yourself. My dear sister you are gone too soon but suffering no more...rest easy in eternal peace. Love you Santina!!*

“ I am filled with so much sorrow and pain, yet I am grateful for so much. Rest easy, my sweet sister, for you no longer need to suffer. I will cherish all the beautiful memories we shared. I will love you and miss you until my last breath. Until we meet again, you will be my angel. From your sister Nancy with love!!

In loving memory of my beautiful sister I would like to reference these beautiful lyrics from a

Donna Taggart song...Jealous of the angels.

I suppose that anyone reading this can listen to it through a google search or YouTube video. I would have posted a link but not sure if it would work posting here.
