“ *Santo and I came to know each other through the SI Orioles baseball program as his son Anthony and my grandson John were on the same team. Our team traveled together on several tournaments and we had not only fun on the field but off the field as well. I will always remember his laughter and his wit and he made each time we all spent together fun. Santo, you will be missed. May God comfort you, Angela and Anthony too.*

“ *I've only known Santo for the past 3 years. My son plays baseball with Anthony for the SI Orioles. When I first joined the team, Santo welcomed me with open arms and a warm heart. We became good friends cheering on the boys at baseball games and our sons have become good friends. I didnt know Santo for as long as a lot of people did but I'm sure they would say a lot of great things about him. Santo you will be missed but never forgotten. Rest In Peace my friend. P.C.*
