“ *"I LOVE YOU TO THE MOON AND BACK"... those were the last words you spoke to me before you passed and at least two to three times a day before that. Those words are written on my heart and I will remember them until we see each other again. I will always miss and love you! Your loving Sister, Rose*

“ *Dear Aunt Sarah, I can never thank you enough for all you did for me here on earth and all I know you will do from Heaven. We all used to joke with you that your voice was as big as your heart. We could hear you on the phone from several rooms away while you were talking with one of us. You would always remember the Thursday before I had a treatment. You would call and tell me not to worry. You put me in the Jesus jar. The next day you would call here within a few minutes of us coming home to see how I did. You were my Angel here on earth for 88 years and now you will forever be my Angel in Heaven. I love and miss you, Aunt Sarah. Judi*
