“ *Miss you more than you know. You suffered terribly the last few weeks of your life and I will always have that on my mind. But now you are at peace and you are with mommy and daddy and dozens of other family members too many to mention. Keep a place open for me. I feel that this journey you had in life could have been better and I am very sad for that. Hopefully your next journey in life will be a better one. It was an honor to be your sister and I will forever have you in my heart. Love you more, your brokenhearted sister.*

“ *To The Madeo Family,
My deepest sympathies for your family.
Life is eternal, and love is immortal,
and death is only a horizon;
and a horizon is nothing save the limit of our sight.*
