“ *To my one of my best friends ,we grew up together ,went to the same schools...we became police officers together and were in the same company 93-51, Scott those days of us traveling every day together to the police academy were some of the best days of my life. The night in the academy when a boss came into our classroom and asked for me telling me my wife was ready to give birth to my second child. The first thing that came out of your mouth was , I am his ride !!! anything to get out of those classes. You were there right next to me when my son Justin was born and that is something that will stay true to my heart for the rest of my life. I love you Scott!! ...Friends for ever RIP!*

You and Scott's family are in my prayers. I thank you and all first responders for your service. I have created a memorial on findagrave.com for Scott and was hoping to add one of his pictures to the memorial. I don't know who to ask. Also, if you or his family would like to take it over, I would gladly transfer it over. Just e-mail me at Lehi_Nephites @ outlook.com. Again thank you for your service and I am sorry for your loss.

“ Above all else, my cousin Scott taught me to to be compassionate, caring, and to persevere in the face of adversity. Scott was quick-witted, enjoyable to be around, and had the biggest personality in my family. The lessons I learned from Scott's fight will remain with me for the rest of my life.

Scott, I love you. Rest easy. Go Rangers :)

“ I had the pleasure of working with Scott while assigned to Midtown
North in Manhattan. We came out of the same academy class and
were assigned to the same Field Training Squad. Scott and I were
part of a carpool from Staten Island during our early days on the job.
Those rides were truly hysterical, as we often ripped each other
apart with jokes. My thoughts and prayers are with Scott's family
and friends. Rest easy brother.
