“ *Just hearing about this now. No one in our family had any idea. Sam was always so good to our family. He had a great sense of humor. I'll never forget how he used to take us to Lake Taghkanic and later when I was older, I would see him out at the disco sometimes! My condolences to the family.*

“ *One of the funniest memories of my dad is when he met Chris for the first time. It was Christmas and Chris came over for coffee and dessert. I had apple pie on the table and I went to the kitchen to get the coffee. Well my dad sliced a piece of pie and placed it on the table-no plate!! My dad proceeded to eat the pie with his fork! The look on Chris's face was priceless. He was trying to hold back from cracking up! I was yelling at my dad and he said "why waste a plate!" Chris knew from that day he was part of our family!! Love you Daddy💔*
