“ I knew when I first met you at the BOE that we would become great friends. Our love for family and pets was always number one. I remember you at my desk and Run the World by Beyonce came on. You were really grooving to it. That day I made it your ringtone and I never changed it. Even when I moved to NC we spoke at lengths about everything and anything. I'm gonna missed you and our talks. You will forever be in my heart Love Daisy
