“ *I worked for Steve and Vinny at Rosemary's Pizzeria around 1978/1979. Steve and Vinny were the best!! I lost touch with both after the pizzeria closed but they were always in my thoughts. May God bless them and their families!!*

“ *What a great loss. Its been many years since I saw you. My first job was at Rosemary's pizzeria delivering pizzas on my bicycle at age 11. Steve and Vinny were like a father to me. We lived a few doors down. I worked there several years until I started High School. I remember making rice balls in the back. Helping make the dough, and even pizza! I also remember getting in trouble for scraping all the "blue" out of the rainbow ice LOL (my favorite!). Lots of fond memories made in that place. made some lifelong friends. I will never forget you, Steve. Heaven has gained an angel. Rest in Peace. Love of love, Patricia Banker (Tee)*
