“ *My Dearest Aunt Stel,
I am so broken hearted. I cannot believe you
are no longer with us. Heaven gained another
Angel for sure. You are the true meaning of
what an Aunt is. Always kind hearted and so
very caring. Another loving mother to my sisters and I. I am so going
to miss our weekly sleepovers. I always looked forward to spending
time with you and my mother. Please always continue to watch over
her. She is going to need you. I will always cherish the memories
our family has created. I told my father to make sure he makes you
a tremendous dinner. I will love you always and forever. Your Niece

“ *Dearest Aunt Stell,
Growing up with our entire family I always remember you being a caring, loving aunt. All the great memories we’ve created as a family at holiday parties or just getting together for dinner, you remind me how precious life really is and the time we share with one another. I am heartbroken over losing you and life will never be the same without you in it.*

Love you always,

Your nephew,
