

Stephen Martin Byrnes

July 11, 1977 - February 6, 2026

Stephen Byrnes, 48, passed away on Friday, February 6, 2026

Stephen Byrnes was born in Brooklyn on July 11, 1977 to parents Helen and Martin Byrnes. When Stephen was two years old, my father built a house on Sinclair Avenue In Annandale Staten Island.

Stephen has one sister Christine Byrnes of Boynton Beach Florida.

Stephen, the gentle giant, the guy we called Bigfoot, the child face with the big smile and the freckles made Stephen look so much younger than he was even though he was such a big guy and he was such a sweet guy.

Stephen's life was big. We were fortunate enough to have wonderful parents who build a house that was filled with friends and family and neighbors. It was busting at the seams. that pool in the backyard. The parties that we had in that house where everyone was welcome .was one of the most precious times in mine and Stephen's life.

Steven, his whole life has been surrounded by an enormous amount of friends who love him dearly, always with that smile on his face.

Stephen was an HVAC technician for Home Serve for many years. Stephen

enjoyed spending time with his friends and loved people and they loved him back.

I am overwhelmed by the death of my brother and I know that there are so many of you that are just as heartbroken as I am . Stephen. was only 48 years old gone too soon..

There is only one consolation if I could say anything is that Steven and and my mom are together in heaven.

My father and I want to extend our loving gratitude to all Stephen's friends and my friends, my parents friends, family members, cousins, aunts uncles too many to list.

You would truly love Stephen - if you knew him.

Going forward in our life is going to be a difficult road traveled without you.

Beloved Son, Beloved brother, Beloved friend, Beloved family member.

You are truly loved Stephen in life and in your passing you will always be in our hearts. We will carry you with us always much love on your journey. Please say hello to mommy for all of us.
