“ *I know God uses certain people in your life to show you that he loves you and wants you to be happy. I believe that my dear friend and co-worker was put there by God to show me that there are still good people on this earth and that we must learn and cherish there friendship because it is very limited. I will miss you my friend, but i will never forget the lessons and good times we shared together, for it is not goodbye, but i will see you later.*

“ Steve was our go to guy for several important projects here at work. His consummate skill at his trade, efficiency and great sense of humor on the job made him and brother Mike and crew a pleasure to work with.

Considering the sense of loss I am experiencing as a client, I cannot imagine what the Pansini family and close friends are experiencing. My sincerest and deepest condolences to Steve's "inner circle".

May you rest in peace, Steve.
