“ So go and run free with the angels dance around the golden clouds For the lord has chosen you to be with him and we should feel nothing but proud Although he has taken you from us And our pain a lifetime will last Your memory will never escape us But make us glad for the time we did have Your face will always be hidden Deep inside our hearts Each precious moment you gave us Shall never, ever depart So go and run free with the angels As they sing so tenderly And please be sure to tell them To take good care of you for me

“No Farewell words were spoken, no time to say goodbye, you were gone before we knew it, and only God knows why”. A loving, caring, giving soul was lost too soon, but his memory will live forever in his family and friend's hearts. Rip Steve we will miss you.
