Beautiful video. Steven, worked out and took diciplined care of his health every day that I lived there as his roommate this past year. And it showed. Roommates came and left and he helped them as he could. God's blessings to him and his family. James Dean Taylor,61,disabled. His journey continues...

“ Steven was a long time and frequent customer of Rio Tan and Cryotherapy in Las Vegas . He really enjoyed the wellness benefits of cryotherapy and mostly did back to back sessions. Everyone at Rio Tan got to know Steven well. He was often the last customer in the store before closing so we got to chat about a lot of things . We already miss him . Everyone at Rio Tan offers their sincerest condolences.
