“ I can't seem to find the right words to express how I feel. I do know that you were a kind soul and we will miss you. The world is little dimmer without you in it.. You were a true friend to my brother Danny (London) say hello to him for me. I'm sure you'll meet on the other side. To Steve's family, I'm truly sorry for your loss. Eddie and I always treasured your friendship.

“ So sorry Harris, you were a true friend to al of us o 'Briens even little old me.
You fought a hard battle and sadly you lost I will remember you always, more recently in that you kicked my ass in words with friends. (and what friend does that) just sayin.
I pray god gives your family the love and strength to carry on.
Because I know that's what you would want most. Rest in everlasting peace my friend.
Always know your children, wife and family will be well looked after.
That's the type of family, and friends you have and loved. Xx
