“ For as long as we can remember, Susan has been a part of our family.  
She was always caring, hospitable, and interested in everyone with whom she interacted.  
She was kind, gracious, loving, and fun. She leaves a profound void with her passing...but she leaves much more profound, indelible and beautiful memories in the hearts of those whose lives she touched.  
To Janine, Danielle, Joe and your family, we send our heartfelt condolences and love.
