“ Will NEVER FORGET you Ms.G you were also my teacher at I.S.72 and words couldn't ever be enough to express the impact you have had on our lives! You helped Me get my mom to quit smoking cigarettes and til today she has not ! I thank you 🙏 I will never forget the moment you took with all of us as your students and formed a circle of trust with us ,you TOOK THE TIME !! And it shows! The engraved moment's follow:

- 1.watching the greasers and dressing up like them(you actually let one of us gel your hair too 😂)
- 2.writing letters to ourselves (I had went on to do that throughout my teen years and can appreciate them now as an adult ❤️).
3. Stories about macho and. . . Can't remember lol
4. How you mentored us about life and taught us lessons we still use today.
5. That wicked hell you could make if you were commanding our attention.
6. The documentary and stories we used to listen to you tell about your gma and Coney Island

You were our school for real! Gone but not at all forgotten

“ Ms. Glanstein I still think about you and remember the impact you made on my life. She was my 7th grade English teacher and it felt like she was my school mother. Everyday I would purposely not go to lunch, and I'd just go to her classroom and help her out and talk to her. She was an amazing teacher. We've cried in each other's arms before, and I will always remember how sad I was when I went to finally add her on Facebook after being of age and seeing she was gone already. Ms. Glanstein was unlike any teacher I've ever had, she had the biggest energy and she was so quirky and I really appreciated it because I was quirky too. I know right now she's in Heaven watching Star Wars, eating pizza, and wearing a Rangers Hockey Jersey, with her rabbit on her lap. I know know she's hugging her Grandma right now and laughing about how she used to prank people who were on the Cyclopes ride in Brooklyn, with her sister, while they were at their grandmas house. I wish I could've spoken to you one more time before you left us because I would've told you how much of an impact you left on my life. You'll live on forever because so many people love you. She taught me why it's important to be a positive person because even with everything she's been through she provided so much light to peoples lives. Even if you might not remember me Ms. Glanstein, because you taught so many kids in your lifetime, I can't forget you. A good teacher is so rare to find. And not to step on any toes but Ms. Glanstein always said while she was reading Plato in college, Elementary school teachers were playing with play-dough lol. I'm considering being a play-dough teacher because of you, and I only hope to make a fraction of the impact you made on your students.
Rest In Peace

“ I was just looking for you online. My brother connected with you and shared some laughs. I recently saw pics of us as babies and our first day of kindergarten. I have a scrap book of our childhood memories. I will never forget when I moved to Florida and I was so sad to lose my BF. I'm so extremely sorry for the loss

“ She will go down as one of my favorite teachers. She was my english teacher back at IS72 in 7th grade, there was never a dull moment when you were in her class. So full of life and can be so hilarious at times. Me and my friends started to keep in touch with her when we were in high school and years have passed since then and we still talked every so often. When me and friends would be out drinking and she would see our pictures online she would message one of us to stay safe and offering to get us a cab if we needed it. Outside of being a teacher she was just amazing human being who was taken from us too soon. I'd give anything just to get to see her one more time to tell her how much she meant to me and all of us. My condolences to her family. Rest in Peace Ms. Glanstein

“ Rest In Peace to the most light hearted and free spirited woman I've ever met. She taught me that it's okay to always keep the kid in you alive- no matter how old you get. I will always remember- make friends with everyone, eat lots of pizza, keep on laughing, and never let people forget you. 💕
