“ *Fay was not just my best friends grandma, but she was mine too.
She always treated me like I was one of her own. I will be forever
grateful for her love and kindness. Gma had a smile that lit up a
whole room. She was a ray of sunshine. Fabulous with her beautiful
nails and the skirts she loved to wear. Not a wrinkle on her face,
youthful and beautiful as ever until the very end. I will never ever
forget her or the impact that she left on this world. A beautiful
human inside and out and a dedicated mother, gma, and Gigi. Rest
in peace gma and thank you for being my gma when I lost all of
mine. I love you for eternity. 🧡💜❤️*
