“ To all of Aunt Theresa’s family: We are so saddened and shocked to hear of her passing. While I have not seen her in many years we have had a few lengthy telephone conversations in the last few years, the last one being in January of this year. She sounded so well and healthy at that time. She was always so interested in her family back home here. Our thoughts and prayers are with you all now as you say your final good byes tomorrow. Rest peacefully with Mike now my beautiful Aunt Theresa. Eleanor & Joe Carew (Mahon).

“ I am deeply sorry for your loss. Theresa was such a kind and thoughtful person. My husband Jim and I sat behind her and Mike at St Clare church 1:00 mass for many years. What a beautiful couple, always smiling. We kept in touch after Mike passed and she moved to the willows. She always reached out to chat and ask about everyone. She was so proud of her family. I will miss her. Rest in peace. So sorry. I just learned and service is already over. I will pray for her. Lillian Coscia

“ *Diane, Michele & Donna. I am so sorry to hear of your dear mother's passing. I know your mother from growing up in Torbay, but I really got to know her and your dad through your dear Aunt Mary, RIP. I will never forget how gorgeous she was and how handsome your father was. They made one striking couple. I am attaching a photo which I took at the school reunion in Torbay in 2005. I'm sure you have beautiful memories of your dear Mother, enough to last a life time. Fly high with the angels, Theresa*

“ Theresa was my darling aunt but our relationship went beyond that of aunt/niece and leaned more along the lines of sister, mentor and confidante. She had a presence in my life that distance never took away when she moved to New York. She was a tall, natural redhead who married a tall, dark and handsome man and believe me they made a striking couple. They had 3 beautiful daughters and my Mom and I spent so many good times visiting them in New York and their door was always open. Later my husband Axel and I were hosted by them including a couple of days while on our honeymoon! We always welcomed them to our home too when they visited Nfld and shared some good old Nfld. food and sang some good old Nfld songs. Mike loved to sing! We will miss Theresa dearly but know that she is happily reunited with Mike, the love of her life, as well as her parents and siblings who predeceased her. Fly high with the angels Theresa and I will never forget you. Your loving niece, Kay Sorensen

“ My parents, Marilyn and Harold, met Theresa at the Willows. They enjoyed many pleasant conversations with her over dinner and on the grounds discussing various topics and brightening each other's days with smiles and laughter. Theresa will be truly missed by our family as she happily greeted each of us by name as we entered the facility to visit our parents. Our sincere condolences to you all.
