“ *My sincere condolences to the Cucchiara Family. Tommy was such a fantastic person - so kind, warm, caring, fun, full of great laughter and conversation. He was also a great businessman with high ethics. He will be missed by all whose lives he touched. Rest In Peace my friend. Laurie and Thomas*

*Sal, Marie and Joey - my thoughts and prayers are with you during this time. Tommy always made the block interesting and somehow always made me feel safe growing up as a kid because he looked out for everyone. I am so grateful that he even looked after my mom at times after my dad passed away and us kids weren't around to help. He will be missed and never forgotten.*

“ I am so sorry for your loss Marie and family. You and your family are in my thoughts and prayers. There are no words to say but the only comfort we have in life is that he is no longer in pain and have your memories of his wonderful being to get you through until you meet again.

“ Tom reading my poetry and sending criticism or praise. Long talks over the phone. A booming laugh. Most of all a high moral and business ethic which is so rare today. A gentleman who was unique. I will miss our chats so much

“ We moved onto the block when Tommy was a teenager. He always had lots of friends over. Fast forward to adulthood and he and I used to have great chat sessions over the fence, on the porch, etc. Tommy taught one of my boys how to ride a bike, the other how to twirl a huge stick, pretending it was a bo staff, and he played catch with them. We all miss him.
