“ Dear Diana ,Erin and Family

*I am so very sorry to hear this very sad news. Tom was one of the very first people I met when I started Dean Witter back in 1981 and I had the pleasure of working with him throughout my career at Dean Witter which lasted 20 years. Till this day I will always bring Tom up in conversations that he was the most knowledgeable person I knew on Wall Street. Everyone at DWR would always look for Tom when there was a very tough issue that need resolving and Tom would always have an answer and a solution.*

*I am so happy to have grown up in my professional career with Tom. He was a true professional and a gentleman at all times. He was truly one of the good guys!!!*

*Rest in Peace Tom*
