“ *A loyal, respectful, kind, open minded, just an all around great guy who would always be there for his family and friends no matter what!! He made me laugh and always listened and tried to give a positive perspective on things. Tommy boy, you will be missed dearly, still can't believe it. No matter what, you were always a great guy towards me and I'll never forget how comforting it was knowing you always had my back even if we went months without talking because of our busy lives. I miss you already, and you'll always be in my prayers pal!! God must have needed a general, because you always had a way with people and making them laugh and feel comfortable!! I'm going to miss you dearly my man!! Until we meet again, keep the Angles laughing and rest peacefully. One love Tommy Boy.
With Love,
Ronny*
