“ Hi, I met Skip or Tom as I called him when I first started playing Pickelball a few years back..Tom was already a seasoned player and would play with me on occasion...; I often would miss his serve to me as he would put a twist on it and invariably I went to hit ball but on the wrong side...he did try to help me figure it out to his credit...which direction the ball would land...;..I shall never forget him as he was always friendly and kind.....; the last time I saw him was at the Broadway Y and I helped him out with cat house for an an outdoor cat he and his wife had recently adopted.....I never saw him again and often wondered how the cat fared??.....I hope he RIP.....and sending Sincere Condolences to his family!!..He was a Great Guy and will surely be missed by all his ball playing friends.....!!!!!!
