A New York State decision that those who are vaccinated are no longer required to wear masks. However, our staff who have serviced over 350 covid funeral services safely will wear masks to protect those who have not been vaccinated or those who feel uncertain and our own families. We feel this is necessary because we have handled 8 covid deaths in the month of May and more as of this writing of June 21st. Due to the current pandemic

circumstances please note: We ask that you please send bakery products, fruit baskets, and other personal items to the families home directly. Floral Arrangements can be purchased from our in-house floral designers by calling 718-948-2016 to place your order or to request a catalog of selections that can be emailed to you.

“ *Toni was just sunshine and passion. Everything she did, she did 1000%. She was one of the first cheerleaders I coached when I first started, and for four years, I got to see her shine and make everyone around her laugh! I'm so sorry for this loss.*

“ *Its unperceivable that Toni is dead. Toni was the embodiment of vitality. She was always exploding with life, happiness, laughter, always positive, always looking at the bright side of everything.*

*She fought so bravely, never did she give up, never did she complain. On the complete contrary- she worked and gave 200% of herself, taking calls from the hospital while getting treated. And again- always, always wearing her pretty smile on. She was so pretty, she shined, she was full of inner light. I can't believe this light is gone. It's very hard to accept that she is gone. She is leaving a gigantic void, which will be impossible to fill. God indeed takes the absolute best of people. I feel fortunate to have known Toni, to love her and to be loved by her. I will never forget you Toni, Rest in peace. Gili Kimel*
