“ *My beautiful aunt yiayia I love you so much & I feel you in my heart I know you're always watching over me & the family. When I teach kids at my job I will always think of you & smile knowing you'd be so happy watching me with the children. If I ever get another kitten I'm going to name her little Francesca. My heart is broken & you took a big chunk of it with you. I'll never forget you no one will !*

Please give me a sign that you forgive me for not being able to come in the room when you died. I was in shock and scared to see you laying there dead. I will regret it for the rest of my life. I know that if it was me. Nothing would have stopped you from seeing me and holding me. Fran, you and I shared a bond stronger than anything or anyone else in the world. I love you more than my own life. We grew up together and were Inseparable. I know that we will be together again. I miss you terribly but I know it gives me peace knowing that you are no longer suffering. Please come visit me in my dreams. Mommy, visits me often. She looks good. Give my love to Mark, Dora, Ralphie, daddy and mommy. In my heart forever ❤️
