“ *Whenever I saw Veronica at school, she always had a smile on her face. She was so friendly and good-hearted. I remember her going up to her best friend, M, in class, putting her arms around her, and giving her kisses. Whether M wanted the kisses or not! She was definitely an angel on earth and now she is an angel with God. I will miss her and am so glad we had her in our school for as long as we did.*

“ I feel so blessed to have had the honor of having Veronica as my student. She was a little angel in my class and now she's an angel in heaven. I'm thankful I knew such a sweet soul.
