I spent many years with Vincent in the Operations Unit of the NYTPD. We did not consider it work we were a close family and Vinnie was a charter member. It was a joy to know him and he is missed by many. He was the best of the best.

“ The Executive Board and members of the NYC Retired Transit Police Officers Association offer our condolences and sympathies to the Atigna family. Vincent was a Lifetime Member of the association and will be missed by the many fellow officers who worked with or knew him.

Vinny and I, along with a few other retired Transit Police officers grew up and played together in the old neighborhood in Brooklyn. We all went to St. Francis of Assisi grammar school and later met in the Transit Police Department years later.
May Vincent rest in peace.
