“ Just heard this sad news. I met Tony on the S.I. Ferry. We worked together on many projects; he toured with me with Modern English. He was a good man.

“ I grew up in Village greens with Tony and we spent a lot of time together in the 1970s and 1980s! Tony was a great skier excellent skateboarder and was great ant sound installations. He was very handy and a generally a good person. Although I have seen him recently his passing is very sad to me and may he rest in peace!

“ Tony, you were always kind, generous, and thoughtful, and I never knew a time when you weren't willing to help. For now i'm really going to miss you being in this world, but thank God for the world that is to come and I look forward to seeing you once again on that perfect day. I'm grateful to have known you in this life. I will meet you at the Eastern Gate my friend, and until then rest in Christ and be at peace. Love always, now and forever, Suzy

“ We first met Tony almost 8 years ago when we arrived in Staten Island with a full moving truck from Nashville. He was at his friend Dean Holtermann's house where we had just landed to our new rental flat. Dean had arranged for Tony to be there to help us out. Even tho we had never met Tony the first thing he did when he walked out Dean's front door was to introduce himself and give me a big hug! Tony made us feel like we had all known each other for years. Tony and Dean helped us move that entire moving truck full of stuff into the downstairs flat and believe me with those narrow and steep stairs that was no easy task. Thank God for the both of them being there to help. We remained friends with Tony from that day on. He never failed to call on Christmas to wish us well and that always meant a lot to us because we have no family out here in NY. Tony was a sweet soul who was always willing to help in any way he could. He was an intelligent and thoughtful man who always had a smile and a nice word to say. He liked to spread love to everyone he could. Tony mattrered in this world and we will miss him very much. God bless you always Tony....Sarah and Suzy
