“ Vinny was such a Good Man. He believed in not only second chances but third, and fourth chances as well. He helped out so many people. Many times working for Him on the Car show was the best shot of the year for them. I am truly lucky to have had a friendship with Vinny. He was a Very Smart Man. He knew his Job and people very well. He knew who to place where and he could be placing 75 of us by himself on the morning of a fashion show set. You wouldn't think he was organized but he was a genius with all the Tradeshow stuff. He was a Great Sports mind. There is so much about Vinny I will remember. It's all Good. He's a Giant in My Lifetime. To His Wife Regina, His Children, Grandchildren and his Brother in Laws Rob and Mike (who treated me like family) my Prayers are with You
