I was so sad to hear this from my mom today. "Uncle Moose" will always hold a fond place in my heart. Every July 4th I think of you all and your trips to see is. My heart breaks for your loss. Much love, Beth Davies Nally

Wow that was so beautiful and touching. I loved all the pictures and have many of those memories as well. Events with family will never be the same, but I am thankful for the time we had with Uncle Bill. I remember his booming voice, his concern for his sons when they were out of the house, how he showed me the updated amazing things in his model train village, or the dogs' new tricks, how he rubbed his feet together while relaxing on the couch, his chair, or the floor, how he enjoyed cigars (a long time ago), American history, fast cars & racing, and for some reason I think of him when I see Godzilla 🦖 I am so sorry he was suffering for so long with his health, but that never stopped him from being with his family. I am thankful that he is no longer in pain, and in a better place. I know he will watch over everyone, with the family & dogs who were waiting for him. I pray for peace and comfort to my Aunt, cousins, and his pride & joy-his grandsons. Love you all.
