We'll always have fond memories of our family gatherings with you.

We'll remember your kindness and the smile on your face, especially when you played your favorite Latin Music.

You will be deeply missed by all of us.

“ God looked around his garden and found an empty space. Then He looked down upon this and saw your face. He put his arms around you and lifted you to rest. God's garden must be beautiful, He only takes the best. R.I.P.
