“ Bill would always start out by saying "Look-it" and then give you the right answer or guidance. I worked for Bill way back in the 80's-90's and he was kind and genuine soul. Always fair and thoughtful about all the people who worked under him and there are many of us. He made BT a better place to work at!

*Rest in Peace, Bill and bring that Heavy Metal....Jam on!*

*Deepest Condolences to his Family,

“ A true legend. I worked for Bill years (decades) ago at Bankers Trust.  
After we discussed any pending business he would want to delve right into music and guitar. His enthusiasm will not be forgotten.

*Our memories of Bill are a blessing to us all.*
