My sweet Uncle Winston who I only got to know during these recent years . Cannot believe you are gone. Thank you to his wife, my Aunt Paula for reuniting us with him. I will always cherish the memories shared with you & there will always be a special space in my heart. I love you so much & will miss you dearly for all our long talks on the phone. Especially all the stories you told me about your childhood days with my Grandfather & all your siblings. May your soul continue to rest in peace 🙏😭
